

E-Z Plunger

CleanFast™

The easy way to unclog drains

High pressure water helps clear out tough clogs naturally and effectively

Chemical-free - will not damage pipes like harsh drain-cleaning chemicals

Non-abrasive materials will not damage delicate porcelain finishes

The E-Z Plunger is ready to clean drains in just 3 simple steps

1. Connect a Faucet Adapter

Remove your faucet's aerator, determine which adapter fits your faucet, then simply screw it in place. No tools required!

2. Connect E-Z Plunger

Attach the connector on the end of the E-Z Plunger hose to the Faucet Adapter. Just screw it on - quick and easy!

3. You're ready to go!

Turn on the faucet, set the On/Off Flow Switch, and you're ready to blast away at tough clogs and odor causing build-up.
