## CENTURION™

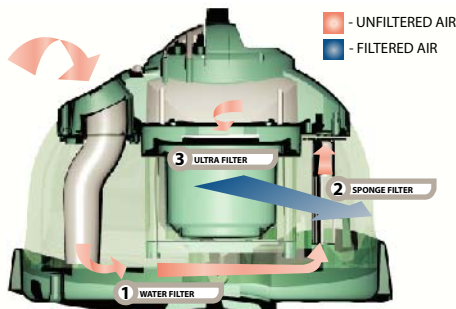

WATER FILTRATION VACUUM

*There's Vacuums.  
And then there's the Centurion.™*

- Water filtration technology traps dust and dirt, cleaning your floors and removing harmful allergens from the air you breathe
- Convenient bagless design is easy to use and environmentally friendly
- Variable suction control allows you to clean everything from delicate drapes and throw rugs to deep pile carpet
- Powerful 1200 watt motor makes even the biggest vacuuming task quick and simple

### TRIPLE STAGE AERO FILTRATION SYSTEM

Triple stage filtration system works to catch microscopic particles and air impurities, such as dust, bacteria, and other allergens. By combining a Sponge Filter, a powerful ULTRA Filter, and ordinary tap water, the Centurion works not only to clean carpeted and hard surface floors, but the air as well.
