# STEAMJET™ STATION IRON

## Tailor-Quality Performance

Creates Sharp, Long Lasting Creases

Exclusive STEAMJET™ Technology for Penetrating Steam

Professional Results at the Touch of a Button

Steam on Demand Delivered by a Triple  
Steam Generation System

- 85 g/min of Powerful Steam
- Variable Heat Selection with Indicator Light
- 30 Oz Water Tank Provides a Stable, No Tip, Iron Rest with Heat Resistant Silicon Pads
- Stainless Steel Soleplate for Smooth, Easy Glide Ironing

Tailor-Quality Creases

Use Vertical as a Fabric Steamer

The Tailor's secret to long lasting, sharp creases is the use of deep penetrating steam to relax the fabric molecules, followed by heat without steam to dry the fabric. This sets the molecules into sharp creases for a long lasting pressed look. The SteamJet Station Iron is the tool that will provide these results in your home too.

400 NW Platte Valley Drive, Riverside, MO 64150
